"Satin Doll" Melody Assignment

On staff paper (with a treble clef), convert these first eight measures of Duke Ellington's *Satin Doll* into a cantus firmus style of line. This line should use only whole notes (no time signature or bar lines, except at the end), showing a skeletal outline version. Your result should be very simple-looking, and not all that many notes long.

Listen to the accompanying mp3 (software generated) version for guidance.
