I gotta rawk

I gotta rawk
I gotta rawk
I've got to turn it up to 10 and hit the block

I gotta rawk
I gotta ro-o-oll
I gotta find that tune that satisfies my soul

You can't stop the revolution
You can't stop the flow

You can't stop the revolution
Come on everyone let's blow

I gotta rawk
I gotta rawk
I hit it 24/7 round the clock

I gotta rawk
I gotta ro-o-oll
I gotta tighten up the song before the show

You can't stop the revolution
You can't stop the flow

You can't stop the revolution
Come on everyone let's blow

guitar solo

I gotta rawk
I gotta rawk
I've got to step on back and really take stock

I gotta rawk
I gotta ro-o-oll
I gotta find those notes that hit me down below

You can't stop the revolution
You can't stop the flow

You can't stop the revolution
Now it is time to go
