

**Band:** The Pretty Things  
**Song:** SF Sorrow

Intro	Verse	Transition	Verse	Chrous	Bridge	Verse	Chorus	Outro
guitar only for a bit, then drums and 12 string come in	first time through riff is without vocals. Guitar is doubled with 12 string on right and 6 on left, once vocals come in the 12 string drops out	bass riff that happens alone to get to the next part	same as before	same underlying guitar part with a different vocal melody and harmonies	same underlying guitar part, with melotron, guitar lead, and some horns	same	this time with more vocal harmonies	same as previous chorus but with only the vocal harmonies and a horn part
volume is mostly througout, dynamics varies a lot by adding and removing instruments in different sections								
* version on youtube is in mono, vs the version on streaming which is in stereo
