

Species Counterpoint Examples

1st Species, 1:1 2nd Species, 2:1 3rd Species, 4:1

4th Species, displacement/syncopation 5th Species, mixed note values

**Below is the same set of examples as above, but with all note values halved.
More importantly the PROPORTIONS/RATIOS are the same.**

1st Species, 1:1 2nd Species, 2:1 3rd Species, 4:1

4th Species, displacement/syncopation 5th Species, mixed note values
